## Director's Notes

Good evening and welcome to the Wydown Theatre Company's spring production of *Mary Poppins*.

Based on both the series of children's books by P.L. Travers and the 1964 Disney film, *Mary Poppins* tells the story of the disfunctional Banks family, who live on Cherry Tree Lane, in 1910. Beneath the surface, though, we find that the story is more importantly about the value of re-connecting with your spirit, even when life gets you down. Sometimes we need a little help with that, and luckily for the Banks family, Mary Poppins arrives just in time.

After a successful West End debut, *Mary Poppins* premiered at the New Amsterdam Theatre on Broadway November 6, 2006, and ran for an amazing 2,619 performances. The production earned seven Tony Award nominations. I hope that many of you are excited to see a story that you are already familiar with, and we hear some singing along coming from the house!

This production has become what it is because of the 100+ Company members' dedication. Each and every one of them has worked extremely hard to bring this production to life. From singing and acting to sewing and painting, you are about to witness what teamwork is all about.

I would like to thank everyone who has helped make this production possible, especially our students, administration, the Wydown Theatre Company Staff, and all of the incredibly supportive parents.

Thanks very much for coming, and I hope you enjoy the show!

Sincerely,

Carla Miller, Director
